

# Remote Hospice Support

## The rtNOW Difference:

- Telerespiratory Empowered Solution
- Assist Remotely with Equipment Setups
- Troubleshoot Equipment Issues
- Ongoing Assistance to Clinical Staff on Usage of Devices

## 24/7 Telerespiratory

We provide equipment troubleshooting, education, and assistance with respiratory devices via telerespiratory. rtNOW telerespiratory therapists provide reassurance to technicians and nurses at the bedside as a valued team member for your staff.
